¹Once your free 30-day trial is over from activation on your device, sign up for Ring Protect. Ring Protect is a comprehensive subscription service that lets you review, share and save every video and photo captured by your Ring device, opt-in to 24/7 professional monitoring with cellular backup for Ring Alarm, and more. To learn more about the Ring Protect plans and view pricing, visit <https://shop.ring.com/pages/protect-plans>. Ring Alarm professional monitoring service is available only within the U.S. (all 50 states, but not any U.S. territories) and in Canada (excluding Quebec). Ring does not own its professional monitoring center, but works with a leader in the industry to provide this service.

²Every Lennar floor plan is designed using heat maps to verify wifi signal strength. If you are experiencing problems with the wifi in a Lennar home, please contact eero customer support at 866-356-1006 so that they can help resolve the issue and determine if a replacement or additional access point should be added at no charge. eero networks and devices cannot be controlled in the Ring App. Use the eero App to control and manage your home's eero network settings.

³Requires either participation in Sunnova's New Home Solar Plans or the separate purchase of the system. Details at [Lennar.com](https://lennar.com).
